

Get on your E-bike and join others in exploring the DC metropolitan area. We bike between 15-25 miles (sometimes longer) in DC, Virginia, and Maryland.

This is an easy-going group, and we are not training for the Olympics. We bike around 12 mph.

Plan 2-3 hours for each trip. You can stop at any time and return home. There is no requirement to finish the journey.

We organize events to have fun, be outdoors, get exercise, and meet other people.

E-BIKE LOVERS TRAIL #4 MD

E-Biking from Sycamore Landing to White's Ferry

DISTANCE: +/- 22 MILES

From Sycamore Landing, bike on the C&O towpath to White's Ferry at the Potomac River. From the ferry, return via River Road in Montgomery County's rustic farmland. The scenery is particularly fine along this 22-mile round trip. You bike in hilly terrain after River Road.

ROUTE

Sycamore Landing to White's Ferry

In Google Maps, enter White's Ferry as your destination. Follow the C&O towpath to the ferry. Make sure to use the biking direction setting for Google Maps or any other app.

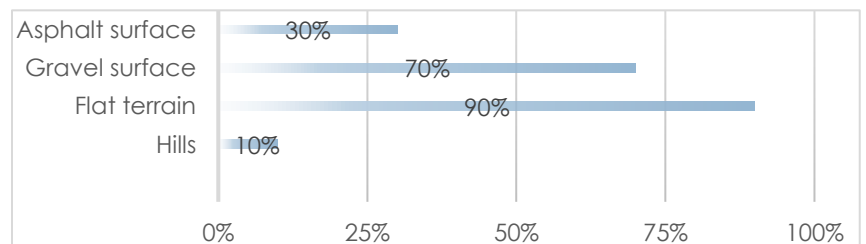

White's Ferry – River Road

From White's Ferry, follow biking directions to 23300 River Road, Dickerson, MD. Stay on River Road. The route through the Montgomery Agricultural Preserve is a seldom-traveled road of packed-gravel that is like the towpath.

River Road to Sycamore Landing via Westerly Ave

From River Road, follow biking directions to 20113 Westerly Ave, Poolesville, MD, followed by directions to Sycamore Landing. The asphalt roads lead to the gravel road back to Sycamore Landing.

ROUTE CHARACTERISTICS

Trail #4 – MD/GM/09/2020. See www.ebikelovers.com for our disclaimer and what class of e-bike is allowed on this trail. © E-bike Lovers 2020. The map is based on OpenStreetMap.
